Friday Classes

F1 – Roadside Vegetable Stand

by Mary Banner

Class Fee: \$90

Roadside stands appear across the country every summer & into the fall...perfectly timed for the County Fairs goers. The framed box, with background already in place, is 2 ¼" deep x 4 ½" long - plenty of room to display fruits, veggies, jellies, pumpkins, & anything else you might find for sale during this time of year. Participants will landscape & assemble the stand, fences, sunflowers, & bushel baskets. The fruit & vegetables to put in the crates & bushels will be provided.

Minimum Skill Level: beginner

F2 – “Simply Country” Shop
by Karen Benson
Class Fee: \$87

While you are in Madison for the County Fair, you should also take some time for shopping at the many unusual local shops & boutiques. “Simply Country” should be on your “MUST STOP” list because it will probably be filled with a variety of country decorative furnishings & accessories. During the workshop, you’ll build this two-part structure. The exterior box is the front & sides and has posts & an awning; the interior box is slightly smaller & is the removable interior of the shop. No lighting is required because there is an acrylic-covered opening in the top. Included are all materials, paint, & glues to complete the shop as shown. The exterior is 6-1/4” W X 4” H X 3-1/4” D.

F3 – Bar in Vintage Match Box – Jukebox Side (2nd in series)
by Callie Brunelli
Class Fee: \$62

Imagine walking into a vintage neighborhood bar, miniaturizing it & tucking it in your pocket!! Each participant will create the seating/music area of a neighborhood bar in a vintage Canadian Club matchbox, using some of the original matchsticks as construction materials. Private booths with tables & benches flank the vintage jukebox against poster-covered brick walls. Materials include wood strips, beads (both hole & no-hole), metal jewelry findings, wire & more. The entire scene, including the jukebox, will be built from scratch using no laser-cut pieces. (Second in a series of four)

F4 – Grandma’s Quilt Room

by Kate Hruban

Class Fee: \$72

Come to the attic where Grandma makes her fabulous quilts to display at the County Fair. Let’s build a room just like it – we’ll wallpaper both a trunk & walls; make a window & chimney; dress a bed; paint a trunk; and build a table for the sewing machine & cutting table, shelving for quilt storage, & a toy box. All of this fits neatly in a camel-back trunk!

F5 – A Picnic at the Fair

by Jan Johnston

Class Fee: \$92

I submitted many 4-H projects to our local county fairs in my youth. My 4-H group always ate lunch at the Picnic Area. We'll make a scene with a shade tree using preserved natural materials. We'll "grow" grass, "plant" flowers, & make/finish a picnic table from a kit. Doll & dome are included (wooden base shown/glass dome not shown). *The doll's dress for this workshop is red....an exclusive, limited edition just for you.

S2 – Miss Mouse’s Trunk House

by Sue Herber

Class Fee: \$95

Miss Mouse has found an old arched-top trunk in the woods that she has chosen to use as her new home. The wallpapered trunk is turned on its side, giving her more space than she could have hoped for. Outside she tends to the mossy forest floor. She enjoys having company at her arched door & charming little peaked-roof abode. She found an old picture frame for a window, some lace for a curtain, & bits of furniture to make it cozy. Her home comes complete with a stove & coffee pot, table & chairs, flower pot, hutch filled with dishes & food, ladder to a hammock bed, bedside shelf with lamp, & framed picture.

S7 – Dessert

by Carolyn McVicker

Class Fee: \$67

Students will make four desserts: Chocolate Marbled cheesecake, a peach tart, a summer pudding, & an orange cake with orange slices. Students will make the peach slices & arrange them attractively on the tart base. They'll make the summer pudding using sand & liquid FIMO, as well as the strawberries, raspberries, & blueberries. The technique for how to marbleize a cheesecake topping & adding "Oreo cookie" crumbs to the edge will be taught. And discover how to make a two-layer cake, slice it, and texturize the cake opening & sliced piece prior to baking. Then learn to frost it with caulking. The orange slices will be provided in the supplies.
