EDITOR’S CORNER

Summer is here in full swing, with the National Convention in St Louis just over a week away. I hope that everyone is looking forward to lots of mini fun and adventures this summer.

Remember this is your newsletter which will be published each quarter. Each edition will include information and stories of interest to all miniaturists. It relies on inputs from each of you. So remember that without your inputs the newsletter will cease to exist. I want to thank all of you, who made this edition possible, by providing inputs.

Inputs should be sent to Bill Allen via either email at billallen47@comcast.net or snail mail to Bill Allen, 43230 SE 140th Street, North Bend, WA 98045. You can also contact me via phone at (425) 831-0035.

Oregon State Representative Request

Greeting from the Oregon State Name Rep. It is too late for spring house cleaning and too early for fall house cleaning but if you sort through your miniatures this summer please keep NAME in mind for our grab bags. I have very few prepared for the Sept. show and sale in Portland. I would accept any donations and if in the Portland area I can arrange to pick them up. The grab bags are very popular with children and I love to see how happy they are with their "treasures". When you attend the Portland Show be sure to shop at the NAME table.

CLUB NEWS

 Tacoma Miniature Guild:

The Tacoma Miniature Guild will not meet in July as our usual meeting day this year is the day before the Fourth of July. However we will meet Thursday, August 7, at our usual meeting place, the Parkland-Spanaway Branch of the Pierce County Public Library. Guests are always welcome. This meeting will see the launching of our general store project which will be the focus of the next few meetings, as each of us will be creating items to furnish our individual interpretations of a general store. All the members have a head start with some items and projects sent to our group by the miniature group Meredith Barnes is active in. Meredith lives in New Jersey and is the daughter of Robin Barnes, a member of our miniature group here in Tacoma.
Our annual potluck summer picnic will be August 9 at Charmayne Tubig's home in eastern Puyallup. We always enjoy the chance to have more visiting time with each other.

Several members are looking forward to preparing miniature exhibits for the Hobby Hall of the Western Washington Fair in September. If you plan to attend the fair, remember to look for the miniatures displayed there.

Mini Fools:

A new small scale NAME club has formed in the Seattle area. Our focus will be anything below 1" scale. We will be meeting monthly at various members' homes to work on our individual and group projects, as well as making things to support NAME events. We have chosen the name Mini Fools to honor the holiday we will celebrate - April Fool's Day. While we recognize there is a need for more club openings in our region, our membership is already full.

Spokane Miniature Society (Minihahas)

We are working feverishly on our October workshop and have gotten the flyer completed and are in the process of sending them out. Our workshop is Saturday, October 11th at St. David’s Episcopal Church in Spokane, WA. Our project this year is a box in 3 or 4 parts (you decide) that opens similar to a book. We are calling it ‘A Very Versatile Vignette’. We will also have vendors again this year at the workshop. We are only doing 30 kits this year so register early. Lunch is included in the workshop and we hope to see you there.

Our theme for this year for our monthly meetings is Toys and we are having a great time making some fun items. We have made a tiger pull toy, a time out bench, puppet theatre and have several fun projects coming up.

We meet at 7PM at St. David’s Episcopal Church, in north Spokane and new members and visitors are always welcome to join us.

Coeur d’ Alene Miniacs:

The Miniacs have had to find a new home – we had a home at Lyles Fabrics since our group organized but they have closed so we are now meeting at Joann’s Fabrics in Hayden, ID. We will be meeting 6PM-8PM on the second Saturday for July and August and will go back to our regular time of 10-Noon on the second Saturday of each month beginning in September. We are still working on our outdoor theme and just had a get together to make miniature gardens last Saturday. New members and visitors are always welcome.

EVENT NEWS

“Southern Oregon Miniaturist (SOM) STATE DAY”

The Southern Oregon Miniaturist (SOM) STATE DAY was a huge success. Co-chaired by Dycie Childs-Melton and Bonnie Doggett the doors, at The Meadows, opened at 8 am. Festive balloons and table coverings welcomed sixty-three women and three pre-teen girls (and their mother’s). Eager workers signed in and put on their nametag, printed by Debra Elwood. Each then chose a place at one of the seven work tables. A “Story Book Cottage” built by a “SOM” member and a chocolate “Cottage” handmade truffle by Debra Elwood welcomed each guest. While settling in the
attendees munched on donuts, muffins, fruit, tea and coffee.

At 9 am, Dycie welcomed everyone to the “SOM” Story Book Cottage Workshop. She then asked Jan Blackford to read a letter from Joane Forsstrom, our State Representative. It explained Joane could not attend the workshop because at this time, she is undergoing chemo treatments. Joane thanked God for her miniature friends and miniatures. Her letter touched our hearts. We send her our thoughts and prayers.

After introducing each of the seven table hostess Dycie asked everyone to open the cardboard shipping box they found on their chair. It held bags of items to build the Cottage. Laser-cut walls by Stephanie Engeseth, chimney and steps, by Jan Blackford, a base, tea light for the fireplace, furniture, landscape material and a booklet, with in-depth instructions to build the Story Book Cottage. Dycie began to explain the step-by-step instructions. By noon the walls were up, a tea light in the fireplace and the stucco was ready to dry. The lunch break was filled with an exceptional meal of fajitas, enchiladas, and all the trimmings catered by La Burrita of Medford. A lavish array of homemade cookies, from Debra and Bonnie, and donated snacks were enjoyed throughout the afternoon.

After lunch, shoppers checked out the TV Trays sale items and the exhibit of numerous miniatures in all scales.

During the day, squeals of delight filled the air when hostess gifts, to accessorize the cottage were handed out. Stone fireplace by Dycie and Bonnie, a cauldron by Leah Bird, ladder by Raven Klinger, bookcase by Jan Blackford, books by Gerri Frazier, outside lantern by Bonnie and Carole, broom by Carole, pot of flowers by Elizabeth White, produce bags by Carole Paquin.

At 1pm, Dycie kicked off the afternoon by explaining the next step to complete the Cottage. By 3pm we were pleasantly surprised to see the three pre-teens girls had painted the inside walls, outside walls and furnished each room of their Cottages. The girls were a delight to have at the workshop.

In the late-afternoon, Dycie thanked everyone for their attendance, and their enthusiasm for the Story Book Cottage.

Over one hundred donated door prizes were won by the attendees or placed in one of fourteen kits to be shipped out. Leah Bird won the great raffle prize donated by Lucy Hanson. All proceeds from it went to NAME. Thank you Lucy.

The Portland Miniature show is only 12 weeks away! It's time to sign up for it! The big date is September 13 and 14, 2014 in the Exhibit Hall of the DoubleTree Hotel Portland (across from the Lloyd Center), 1000 NE Multnomah Street, Portland, Oregon.

The Red, Blue and Green MAX Light Rail lines all stop at Lloyd Center/11th Ave. across from the DoubleTree.

The link for booking a room can be reached easily through the show's website http://PortlandMiniatureShow.com. Click the "Hotel & Map" tab. I strongly encourage you to book early. The block price expires August 12, 2014.

George Wrisley has already signed up to teach an electrified "Curio Cabinet" workshop. Layne Halliday will be offering a class to make a beautiful hexagon tray. I'm open to other classes as well.

By now most of you have heard about the terrific turnout at the March Seattle show. There is a video on the home page at http://www.PortlandMiniatureShow.com waiting for you to re-live it. This same excitement can come to the Portland show but so much of it depends on you dealers.

The Dealer Registration form is on the site at the "Dealers Only" page.
If you are no longer interested in being on my dealer's list and receiving notices from me about the shows, please help me by letting me know.
