Introduction

The purpose of this manual is to keep, in one place, all of the forms and procedures that the NAME RC's and SR's need to do their jobs. Some of the manual will apply to the Regional Coordinators and many items also apply to State/Provincial Representatives. Hopefully many of the State Representatives will be future Regional Coordinators.

This manual is available on the NAME website for download, or electronic versions of this manual may be requested by contacting the RC Liaison. Please remember to check for updates (you will be notified when updates occur by e-mail) to assure that you are always working with the most recent copy of the manual.

State/Provincial Representatives should also keep in touch with their Regional Coordinators. May regions have their own supplemental manuals that may include their own awards or special workshops. Your Regional Coordinators will be responsible for providing you with the names of members in your State/Province and will be your support system.

NAME's LOGO

NAME's logo is a copyrighted trademark and must include the copyright symbol. The symbol must be placed outside the base of the logo at the lower right. The copyright is for the house and the NAME acronym.

NAME clubs and individual members may use the NAME logo on their stationery or advertising as long as the phrase, "A member of NAME", is printed directly under the logo.

NAME NETWORK

DESCRIPTION

The NAME Regional Network consists of all Regional Coordinators, State/Provincial Representatives and Club Presidents, working together with the National leadership through the National Office. Individual networks center around the fifteen different domestic and Canadian Regions and the Online Group, with the various Regional Coordinators, State/Provincial Representatives and Club Presidents within each Region working together to form their Network.

PURPOSE

The Regional Network Program has been established to provide a vehicle for efficient communication between the membership, the Board of Trustees and the National Office. Regional Representatives will be provided with information sources (such as this Manual) and the general membership will be advised on the best method for obtaining current and accurate information on NAME activities. In addition, the Network will provide members with a better opportunity to have their needs transmitted to the Board of Trustees.

By utilizing the Regional Representatives in this manner, two important goals will be accomplished:

1. Increasing the participation by our membership at the local level, and improve understanding of the goals and principles of NAME.
2. Providing an environment through which our volunteer leaders may develop their skills and demonstrate their abilities, through service to the Association.

The Regional Network should provide for the collection of information on any activity of interest to the membership, and its distribution through direct correspondence, the *Miniature Gazette*, or personal contact by our Regional Representatives. Opportunities for individual members to participate more fully in our many activities can also be developed through the Network. New enthusiasts will be more attracted to an Association whose members are active and well informed of the routine operation of the Association. And, by keeping itself better informed of the needs of the members, the NAME leadership can better provide the programs and policies which will create the nourishing environment for all miniature enthusiasts.

The Online Region was formed in 2003 and has been superseded by NAME's Online Group which is available through the NAME website at www.miniatures.org. Membership in NAME is required to join this group.

Please refer to the complete listing of Regional Coordinators, State/Provincial Representatives and Board of Trustees in the *Miniature Gazette* or on the NAME website, www.miniatures.org.

NAME's Online Group

NAME's Online Group has been created as a place for members to gather online. For those lucky enough to have clubs or shows close at hand, the activities offered by the Online group can supplement your miniature experience. For those who live in remote areas, our international members, our members who are restricted on how far they can travel, or just for those members who prefer an online experience, the Online group can offer you all the benefits and camaraderie of local clubs and shows at your fingertips (literally!) It's a place to go to talk minis, to share ideas, to get answers from people who have already solved a mini problem that you are facing. We also offer workshops and other online sales experiences along with various challenges and events to keep you motivated! Come and join us!

- Promote communication between clubs and club presidents. Send out a regular informative "newsletter" to your club presidents if there is no regional newsletter.
- **Visit clubs, attend shows and mini events in your State/Area.**
You will need to let the clubs know you want to visit them. Most clubs aren't aware that this is one of the things State Reps are expected to do. Club visits can be amazingly rewarding, something you are going to want to do. If clubs don't invite you to a meeting, ask them when you can come. They'll usually find a time and in some cases prepare a special program for your benefit -- which is incredibly gratifying!
- **Remain impartial between clubs or individual members.**
- **Keep membership informed of activities in area.**
 - This can be done through a state newsletter distributed either as an electronic or paper copy.
- **Send Regional Newsletter Editor and Webmaster news of your area.**
- **Keep informed -- Read REGIONAL MATTERS that includes Summary of Board meetings.**
- **Assist Regional Coordinator.**
 - A State Representative is responsible to the Regional Coordinator.
 - If there is a problem or you cannot communicate with your Regional Coordinator for some reason, please clear any plans or actions with the RC liaison.
- **Provide Regional Coordinator with Annual Report due June 1st of each year.**
 - Contact each Club President to remind him/her to send you the Club Report by May 15th so you can compile the information on the SR Annual Report Form and return it to the RC by June 1.
- **Incur no expense, nor obligate NAME in any way, without prior approval of the Regional Coordinator.**
- **Attend Regional Team/Club President's Meetings.**
- **Attend the NAME National Convention (whenever possible).**
- **If attending the National Convention, plan to attend the following meetings at National Convention:**
 - Club Presidents/Representative, State Representative, Regional Coordinator meeting and Annual meeting and Regional Meeting (Saturday morning)
 - Newly appointed State Representatives should plan to attend the above meetings and will assume their duties at their Regional Meeting at National

**State/Area/Provincial Representative's terms expire at the discretion of the Regional Coordinator
or at the end of the Regional Coordinator's term.**

COMMUNICATION WITH CLUB PRESIDENTS

It would be unreasonable to expect volunteer Regional Coordinators and State Representatives to carry out all of these ideas. They are suggested ideas:

- Communicate with Club Presidents on a personal basis.
- Send letters or emails to Club Presidents at least once a year. The Regional Coordinator should approve these letters.
- Suggestions for letters:
 - State and Regional activities
 - Request assistance for State and Regional projects and activities
 - Remind clubs of your availability, if assistance is needed
 - Request a free NAME table if a local show is planned
 - Encourage local exhibits
 - Encourage special talks and demonstrations to garden groups, PTA groups, schools, senior centers, service organizations and youth groups
 - Encourage club sharing in joint projects, meetings, workshop days, miniature home tours, program exchanges, newsletter exchanges or adopt a sister club
 - Club Resource Book for your Region
 - Formation of Children's Club or Junior Club
 - Encourage *Miniature Gazette* articles
 - Encourage adopting a new member by giving a gift membership to NAME
 - Suggest giving a NAME membership to local library so they will receive the *Miniature Gazette*
 - Encourage Club President's to submit Annual Report to their State Representative
 - Respond to Club's Annual Report
 - Encourage members to complete AIM forms to receive pins
 - Encourage a State Day
 - Give clubs listing of Slides and Videos available
 - Encourage formulating a new slide program
 - Regional Coordinators and State Representative would like the opportunity to visit the Club. Due to limited funds, transportation expenses and a home to stay would be greatly appreciated.

AWARDS

ACHIEVEMENT IN MINIATURES PROGRAM (AIM)

Purpose

The AIM Program (Achievement in Miniatures) is designed so that all NAME members can participate. It is not necessary to be affiliated with a club, or to be an artisan; or have a large budget to spend on miniatures. The program is open to old and new members, and runs from January 1 thru December 31 yearly.

How AIM works:

There are three categories in which to earn points, for a total of 100 points.

- Crafting (miniature activities of your own).
- Participating in NAME activities.
- Service showing in what way you participated in activities that benefit others and how you share our hobby with others.

Points are given in each category. These points can be concentrated in one category or spread over all three.

The AIM form is published in the November/December issue of the *Miniature Gazette* yearly.

The AIM form should be completed, indicating a total of 100 points or more. **Mail this form to the NAME office by January 31 of each year. Based on your report an AIM Pin will be sent to you in January of the following year.**

ENCOURAGE YOUR CLUB PRESIDENTS TO REMIND MEMBERS AT MEETINGS TO COMPLETE THIS FORM.

REMIND YOUR MEMBERS TO COMPLETE THE FORM IN YOUR REGIONAL NEWSLETTERS.

ALL MEMBERS ARE ENCOURAGED TO PARTICPATE

ACADEMY OF HONOR (AOH) GUIDELINES

General Information

The Academy Of Honor recognizes those members of NAME whose talent, leadership and achievements have helped determine and preserve the art of miniatures. The Academy helps to promote educational and philanthropic endeavors in the field of miniature artistry. Most importantly, the Academy collects the histories and memorabilia of its recipients and stores that material in pollution proof archives so that future historians and miniature collectors will have a source for research material, which might otherwise be lost.

Structure of the Academy

The business of the Academy shall be administered by a Committee of no less than five nor more than seven rotating members appointed by the AOH Chairman and approved by the NAME Board of Trustees. The Committee shall be comprised of a Chairman, the President of NAME Board of Trustees, in an advisory, non-voting position and others who demonstrate the qualities required for Academy honors. The Committee shall be comprised of members balanced geographically. Each Committee member shall serve two years and may be re-nominated for one consecutive term.

The Chairman of the Committee shall serve a four-year term. The selection of a Chairman shall be made by a committee of three to five former AOH Chairmen and approved by the Board of Trustees. The retiring AOH Chairman shall select the committee.

The AOH Committee shall serve as the Selection Committee for the election of new recipients into the Academy. Names of the Selection Committee are not announced or published. Any NAME member may receive a list of members by submitting a written request to the NAME Board of Trustees. Each Committee members must then be contacted for approval to release of his/her name.

The Academy of Honor shall be funded by and operated as an activity of NAME. All funding shall be through the NAME office and all monies spent must conform to the tax requirements of the NAME organization. All monies spent shall have the approval of the AOH Chairman. A proposed annual budget and financial report shall be prepared by the Chairman of the Committee and sent to the NAME office.

Selection of Honorees

Eligibility for the Academy of Honor is determined by standards set forth by a Selection Committee established in 1984. There are no applications. Prospective members are brought to the attention of the Selection Committee by recommendation. Recommendation forms are available through the Regional Coordinator, the NAME National Office or the Chairman of the AOH Selection Committee. The completed forms are to be returned to the AOH Chairman not later than the first of January of each calendar year. Only a NAME member in good standing can recommend a person. Each recipient recommendation shall be used only once, a nominee not accepted for AOH may be considered again the following year, if a new recommendation form is submitted for that person.

Non-AOH members of the Selection Committee may not be considered for membership in AOH while serving on the Selection Committee and serving on the AOH Selection Committee shall not automatically confer the honor of the Academy.

There shall be two separate bases for selection into the Academy: Those who deserve recognition for their outstanding service to NAME in any manner and outstanding support of the hobby; and those who deserve recognition for their outstanding artistic achievement.

Should both members of a couple be nominated at the same time they shall be considered together, if they produce the same product or provide the same service. Each, however, shall be considered as an individual member toward the maximum of three (3) members per year.

Should an honoree be a person with commercial interests he or she shall NOT automatically be entitled to any extra consideration in the selection of dealers for sales room at Houseparties or Conventions.

A person under consideration for selection shall have been a member of NAME in good standing for at least three (3) years. No awards shall be given posthumously. The NAME Board of Trustees shall be asked to approve every nominee before the honor is bestowed. The Selection Committee Chairman shall announce new recipients each year at the Annual National Convention and the names shall not be discussed publicly until after the announcement is officially made. There shall be no more than three (3) honorees annually and each proposed new honoree shall receive a majority vote of the full Selection Committee for the honor to be bestowed.

Complete records of the accomplishments of all those honored by AOH shall be kept by the Committee according to information supplied by the honoree or his or her heirs at the time of selection. Subsequent information is the responsibility of the honoree or his or her heirs and will be added to the files as received.

The Committee shall keep photographic records and a current inventory of all art donations. Originals of all documents shall be placed in a permanent file and kept by the AOH Archivist. The Selection Committee Chairman shall keep duplicates of materials. Copies of the documents shall be made available to researchers only through the Committee.

The Academy Exhibit

Honorees will not be required to make a donation of a piece of artwork to become a member, although such a donation can be encouraged and will certainly be appreciated. All artwork received between one National Convention and the next shall be photographed and catalogued by the AOH Chairman, displayed at the National Convention and then given to the NAME National Office for the NAME Museum where it will be stored and displayed as room permits.

See NAME website for "AOH Nomination" form.

- Dated gold service bars shall be presented to NAME members who have served on the Board of Trustees.
- Gold bars bearing the Region's name shall be presented to Regional Coordinators at the end of their term provided they have not previously received service bars as a result of serving as State Representatives. EVENTS

GUIDELINES for PLANNING A LOCAL EVENT

(State Days, Fun Days, Roundtable Days, Mini Days, etc)

Definition: Local Events are not official NAME functions but are supported by NAME. It is up to the local committee to organize and produce the event as they want it to be. Insurance is available for events sponsored by officially chartered NAME clubs.

A Local Event is usually sponsored by a NAME club or group known as the HOST GROUP. It is held for miniaturists within a specific local area, and is open to both NAME and non-NAME members. If there is space available, NAME members and guests from surrounding areas should be included. The date of the local event should not conflict with other activities within the same region or with major religious holidays. It should be a simple and inexpensive event and should not be construed as a substitute for a Houseparty.

Purpose: The purpose of a State Day or other Local Event is to promote the hobby of miniatures and the NAME organization by encouraging participation in a day of sharing experiences in miniaturizing: attending workshops, demonstrations or lectures; viewing exhibits; or touring areas of interest to miniaturists.

Organization: Local Events are usually organized with notification to the Regional Coordinators and the State Representatives of the local region.

The date of the event should be cleared with the Regional Coordinator (or Events Coordinator) so there is no conflict with other events being held in the Region on that date. Once the date is approved, the event should be reported to the *Gazette* and listed on the NAME website (www.miniatures.org). This can be done through the website.

It is highly recommended that, after the event, the State Rep or other assigned person should submit an article and photos about the event to the *Gazette*.

Planning: The Host Club should locate a site for the event, determine the number of registrants it will accommodate, and then get in touch with the NAME Office about insurance coverage. The insurance form is included in the new club packet and is available from the NAME office and is due to the NAME office no later than six weeks prior to the event.

The Host Club should draw up a budget and determine the registration fee to be consistent with the project and activities offered. The HOST Club should determine the format of the STATE DAY; i.e. a theme for the major workshop with related roundtables; assorted workshops running throughout the day with a selection of roundtables, etc.

Funding: Local Fundraising is suggested to raise seed money for the Event. NAME will not be held liable for any portion of the proposed activities and will not be held financially responsible in any way except that NAME will arrange for insurance coverage for the event, once the application is submitted by the Host Club. Be sure to check with the NAME office as to WHEN to submit this application.

Local Event Activities: The Host Club should plan a fun-filled day of miniaturizing with the assistance of various committees: Registration, Workshops and Roundtables, Exhibits, and STATE DAY Helpers. Optional: Centerpieces, Door Prizes or Table Favors, Tote Bags, Gift Exchange and Mini Mart. Hospitality may include morning coffee, luncheon and afternoon refreshments.

This is an excellent opportunity for the State Representative to meet with the Club Presidents and to update them on Regional and National news.

NAME Involvement: It is recommended that table space be reserved for a NAME table and that time be given to NAME Representatives to inform members of important happenings at the Local, Regional and National levels.

STATE DAY -- A LEARNING EXPERIENCE

Revised: August, 2009

A form is to be completed by the Regional Representative and sent to the NAME Office for inclusion in the next available issue of the *Miniature Gazette*. The information will appear in both the State Day Schedule column and the Calendar of Events. This form is available under the “Forms” section of the RC/SR Manual.

In addition, there is a form on the NAME website to fill out in order for the State Day or other event to be listed on the website.

NAME TABLE AT SHOWS

General Information

- Make a list of all shows in the Region by date and State.
- Contact show promoter and ask for a complimentary NAME table at the show.
- Make arrangements with State Representative to have the table staffed.
- Advise the National Office of those shows scheduled in your Region, broken down by State, date and who will be covering show. Any amendments to the original calendar should be sent to the National office at least four (4) weeks prior to the show date.

Ordering Merchandise

See Merchandise ordering information in the “Financial Issues” section.

THE NAME TABLE SHOULD BE ATTRACTIVE AND INTERESTING. Name merchandise should be available for sale. Exhibits of club projects or of an individual’s work will make the table more interesting. NAME brochures, membership applications and a sign-up sheet should be available for those wishing to join or start a NAME club.

GUIDELINES FOR THE NAME TABLE

NAME Display Tables should always look professional.

#1 Table Cover

Many show providers provide table covers. To brighten up the appearance of the table you might use a square of bright red, yellow, green or blue (NAME colors) in the center of the table. You should be prepared with a cloth in case the show provider does not provide a cover.

#2 Display Board with Signage

Your display board should be attractive and inviting to visitors to the table. Suggested items to display:

Join us For the Fun of It Logo (attached to the display board)

Membership Brochures

List of Benefits with the Website address

Use display shelves for House party souvenirs, gifts, and small displays

Provide contact for the regions RC and SR

#3 NAME Pins

Have NAME and Regional pins displayed for sale

#4 Lists of Clubs

List of clubs in the area and the contact person. A sign up sheet for those wanting to join or start a club.

#5 Chocolates

Never underestimate the power of chocolate

#6 Gazettes

Have copies for potential members; maybe give out a back issue

#7 Grab Bags

Display your grab bags in an attractive manner, maybe in a large basket or colorful box.

#8 Fundraisers

Each region has a different way of raising funds. Make this a prominent area of your table. Use raisers or box lids or boxes that are covered with a cloth.

#9 Workers Appearance

Ask people in your region who are upbeat and friendly to man your tables at shows. Ask them to wear their pins and always a smile.

#10 Clutter

Make sure there are no personal; items on the NAME table, no purses, drinking cups or lunches. Ask for relief so the people working the table can eat lunch away from the table

 - Encourage Sister Clubs.
- Have someone in each group record the ideas to share with the entire group. These lists can later be compiled, typed and mailed to all Clubs in your Region or State.

- Make Club Presidents aware of ways they can help you and NAME.
 - Make NAME visible.
 - Charitable projects.
 - Funding through individuals and clubs.
 - Newsletters to be sent to Regional Coordinator and State Representative.

MERCHANDISE ORDERING GUIDELINES

PROCESS AND PROCEDURES FOR REGIONAL COORDINATORS TO PURCHASE NAME LOGO ITEMS FROM THE NAME OFFICE

Purpose:

To make NAME logo items available to Regional Coordinators to purchase for sales at local events on a trial basis for 1 year (October 2010 through October 2011). During this year, the sale of NAME Logo items by the Regional Coordinators will be evaluated to ensure that this does not negatively impact the sale of these items at Regional Houseparties and National Conventions by NAME.

Purchasing Rules:

The following rules apply to the purchase of NAME Logo item from the NAME Office by Regional Coordinators:

1. Orders can only be placed by Regional Coordinators, and must be submitted to the NAME office via email, fax, or US mail (**PHONE ORDERS will NOT be accepted**).
2. Rush order requests are not authorized. All orders must allow at least a 3 week processing time by the NAME office prior to the order being shipped.
3. In addition to the cost of the items, the region ordering will also be charged for the cost of shipping.
4. Orders will not be processed if the region does not have the funds currently available on deposit with NAME to cover the cost of the order plus shipping.
5. Orders will be processed on a first come first served basis, based on the date the NAME office receives the order. If some of the items ordered are not available, the NAME office will process and ship those items that are available. Once the order is processed and shipped, the order is considered complete, and the NAME office will not track items that were not available. If the items that are not available become available at a later date, a new order will be required from the Regional Coordinator.
6. The merchandise order form identifies the price that NAME charges for these items at Regional Houseparties and National Conventions. This sales price is the **MINIMUM** price that items ordered by regions can be sold for at local events.
7. The cost to the regions for each item, (with the exception of Pins which have been set by the BOARD of Trustees at \$3.00), will be set at 60% of the difference between NAME's Purchase price for the item and NAME's normal sales price for the item. For instance if NAME's purchase price is \$10.00 and NAME's normal sales price is \$20.00 the cost to the regions will be set at \$16.00 plus shipping costs. The cost to the region for any particular item is identified on the Merchandise Order form.
8. All sales to Regions are final, and no return of unsold items by the region is authorized.

Ordering Process:

Regional Coordinators who desire to order NAME Logo items from the NAME office, should contact Kim Ash at the NAME office either by phone (800-571-6263) or email (<mailto:kim@miniatures.org>) to request a Merchandise Order form. The order form identifies the NAME logo items that are currently available to sell to the regions, the NAME normal sales price (the MINIMUM price that regions can sell the items for) and the cost to the regions for each item ordered. Once this form is completed by the regional coordinator, it should be returned to Kim via email, fax (317-571-8105), or mailed via US Mail to the NAME office attention Kim. Upon receipt of a completed order form from a Regional Coordinator, the NAME office will process and ship the items to the Regional Coordinator following the Purchasing rules identified above.
