N.A.M.E. BUSINESS PARTNERS

For thirty years, the *National Association of Miniature Enthusiasts* has been the unifying force in miniature crafting and collecting. As a *NAME Business Partner*, your benefits are many, including—

Insider News and *Shop Talk* newsletters plus a complimentary subscription to the *Miniature Gazette*, our member magazine, in which your business listing, including your address and telephone number, web and e-mail addresses, will appear in every issue. In addition, your 1/6 page, full color ad will appear, gratis, in the *Gazette* once a year—and you'll receive a 10% discount on regular *Gazette* advertising. Plus, you'll be listed on the *NAME* website, with a link back to yours.

Our wonderful world of miniatures is the common thread that connects us and brings us together. Please become a *NAME Business Partner*, you'll be very pleased you did.
