

Welcome to Your Hospitality Room

*Come one, come all to meet and greet
Go on a scavenger hunt and maybe win a treat
Put a great kit together for the Saturday Class
Or make a surprise kit you just can't pass.
A puzzle a day may keep the Doctor away
Or another kit for another day
Each time we are open, only ONE kit will do
So please don't take two!
There might be a video for you to view
So come on in and learn something new
Meet new friends, visit with old
Just sitting and relaxing is nice I'm told.*

The Hospitality Room will be open at various times during the convention.
