

Home Improvement

Have you ever wanted to do something and just can't figure it out? You know, sometimes you just need to ask an expert. We have lined up a group of experts who are willing to share their ideas and techniques. The events are **free**, bring your camera, notebook and pen and join us for the Home Improvement Seminars to learn new techniques and ideas for working with miniatures in a variety of scales.

Thursday, July 27th

5:15 - 5:45 Sharing Your Minis on Social Media

A must for sellers and buyers in the internet age! Ruth Stewart will explain the ins and outs of using online sites to share and promote your miniature business or to find the perfect mini for your next project.

5:55 - 6:25 Caning with FIMO

Ever wondered how to make those fantastic canes of holiday candies? Talented artisan Carl Bronsdon makes realistic 1" scale candy canes, pumpkins, bunnies, lollipops, gingerbread men, and more in candy boxes, baskets and trays. Carl will share with us techniques for making wonderful sweets and treats, not just for holidays, but for every day.

6:30 - 7:00 Makerspaces: All the Tools You Could Want!

What is a Makerspace and how can we use it to help us create miniatures? Connie Reagan will answer these questions and more about this new emphasis on creative learning that is springing up all over the country.
