

Drive-It-Yourself: Tour of Workspaces & Collections

Wednesday, March 22, 2017
8:00AM - 5:00PM

We are offering an opportunity for you to visit some of NAME's members Workshops and Collections. This is an optional "Do-It-Yourself" activity and there is no fee.

We will give you directions to the homes where some of our members have offered to open up so you can see their workspaces and their miniatures. We are always looking for idea to make our Workspaces more efficient, for storage tips, where and how to set up our tools, etc. So, here is your chance!

In addition to homes in the area, you will have an opportunity to visit a couple of Historic Towns in the California Gold Country in the beautiful Sierra Nevada Foothills: Nevada City, Grass Valley and Auburn (about 1-1/2 hours away) OR.... You might just want to stay very local to the hotel and visit a couple of homes in the more immediate area of Sacramento

We do need to have some idea of how many are interested in this activity so please fill out the form below and mail or email by March 1, 2017 to:
