

Trick or Treat

Do you remember getting dressed up and going door to door with your friends, and yelling “trick or treat”?? And then going home and dumping out your treat bags to see what kind of goodies you got? And comparing to see who got what?? Well, we are taking you back to that time! You will get to trick or treat, but instead of candy, and yes there will be some candy, you will get miniatures as your treats!!! We have found 20 people that will have special treats just for you. You are asking, but how will I know who has the treats??

When you are given your tote bags, you will also get 20 tickets with a number on them from 1-20. Our treat givers will be wearing a special pin, like the photo.

When you find them, you have to say “Trick or Treat”! And then give them your ticket with their number on it, then they will dig into their bag and give you a treat that has been made just for you! So it is kind of a scavenger hunt and trick or treating event combined! Some treat givers will be dealers, workshop teachers, theme lunch presenters, committee members, but please remember, if someone is teaching, be patient. Let them finish what they are doing first.....

Trick or treating begins on Thursday and will go up to the banquet on Saturday night. Missed one of your treats? Don’t fret! All the Treat givers will be available during the no host cocktail hour to hand out the last treats. When you are all done, you will have 20 new miniatures! Have fun!!!!!!
