

# Hospitality Room

The Hospitality Room is the place to be! Come hang out with your friends and enjoy a bit of relaxation. Our Hostesses will be there to greet you and to provide you with exciting activities, not the least of which is to design your own mask for our Costume Party at the Saturday night banquet.

We will even have space for you to work on that project you just didn't have quite enough time to finish during a workshop. There will be loads of things to do.

There will be an envelope with three tickets in it in your registration envelope. Be sure to stop by each day to turn in a ticket and pick up a gift.

## **THURSDAY**

Come in and make mask for the banquet costume party. Bring your ticket and pick up the first of your gifts

## **FRIDAY**

Make a mask for the banquet costume party, or work on finishing a workshop project. Don't forget to pick up the second of your gifts

## **SATURDAY**

Make a mask for the party tonight. Work on finishing a workshop. Relax and visit with friends. Pick up the third gift
