

CHARITY

My Sisters House

Our Charity this year is My Sisters House, a safe haven and shelter for women and their children who are victims of domestic abuse and Shelter.

Their first step is to provide safe emergency shelter at no cost for women and their children who are in abusive situations. They then assist the women with the legal system relating to keeping the families safe by pressing charges on the abuser or getting an Order of Protection. Their Outreach program focuses on support and education for the victims and the community at large, to improve awareness of abuse in the community.

We ask that you consider bringing an item to share with My Sisters House to help with their work to keep families safe and to give them a sense of a better future. Below is a wish list of needed items, many of them will fit easily in your luggage. Please help us make their life a little more hopeful.
