## **TL1 – CHAMPAGNE BRUNCH AND BALLOONING** BY JANET SMITH

**\$69 US MEMBERS ♦ \$74 (US FUNDS) CANADA/MEXICO MEMBERS ♦ \$79 (US FUNDS) INTERNATIONAL MEMBERS**

How about a beautiful balloon ride over wine country ending in a continental brunch served outside with, naturally mimosas?! That's what you'll get in this theme luncheon. Since much of the gift is 3D printed, we will touch on some of the basics of 3D printing. But you'll also get instructions for making the continental breakfast, including a fruit plate and a basket of pastries. The gift includes a finished roombook set. What's a roombook? This is a quarter scale vignette that includes open book structure that sits on top of two closed books and is housed in a plastic case. The books/graphics for this exclusive roombook kit (only available through this theme luncheon) goes along with our "Around the World in 8 Days" theme. Also included are the picnic table to eat on, the food and, of course, the mimosas!

## **TL2 – The Magic of Mary and the Whimsy of Mackenzie!** by Ginger Landon-Siegel

**\$98 US MEMBERS ♦ \$104 (US FUNDS) CANADA/MEXICO MEMBERS ♦ \$107 (US FUNDS) INTERNATIONAL MEMBERS**

Whether you love the eccentric, whimsical artistry of Mackenzie-Childs or the colorful inspirational images of Mary Engelbreit, both have a way of putting a smile to your face. The brightly decorated dollhouse by ME is familiar to most miniaturists, but, did you know that Mackenzie-Childs miniaturized their furniture, glass and pottery pieces to fill a magnificent 2" scale dollhouse as well? Mackenzie once said, "I'm going to be playing as my work and my work will be my play!" So, in that spirit come "play" with me in the virtual world. We'll explore their artistic progression through photos, fun facts and short stories. Your gift, a 1/4" scene ready for display, plus some fun extra surprises, will have either a Mary or Mackenzie theme, YOU WILL CHOOSE!

## **TL3 – ATTAINING THE PERFECT FIGURE OR THE "AGONY" OF FASHION** BY RACHELLE SPIEGEL

**\$108 US MEMBERS ♦ \$114 (US FUNDS) CANADA/MEXICO MEMBERS ♦ \$117 (US FUNDS) INTERNATIONAL MEMBERS**

Through the ages people have reshaped the body in order to be fashionable, generally by adjusting the shape of the figure and undergarments, which either pare down or add on, to obtain the "perfect figure." Women's attire often included several of these often-uncomfortable additions to the costume. In our theme luncheon hour, we will track the history of fashion through photos and miniature examples and reveal how our ideal of the perfect figure has changed. Each participant will receive a finished one-inch scale mannequin clothed in mid-19<sup>th</sup> century undergarments and patterns and instructions to create some garments on your own.
