

# Welcome

## *AROUND THE WORD IN 8 DAYS*

### *2019 ONLINE HOUSEPARTY*

Welcome Everyone, to the 2019 NAME Online Houseparty! Debbie and I are very excited to have you join us on our adventure!!! And what an adventure it will be!! We will be travelling around the world, exploring cities, seeing the sites, making minis, “eating” wonderful food, and sharing laughs and good times!

We have loads of exciting things planned for you. We will have lots of free projects to try, a garage sale, an auction, houseparty helpers, lots of great food, roundtable sales, Mega roundtable sales, Dealer room, mini swap, workshops, and theme luncheons just to name a few. We will be travelling to several different cities each day, so make sure you pack your good walking shoes! 😊 We will have virtual tours of all the great sites to see in each city, along with some wonderful food to eat as well. We will also have recipes from the places we visit for you to try at home!

Look at the schedule for when chats will be, then you will be able to sit with your cuppa and chat with your fellow travelers. There may even be a few games played in the chat room to win prizes at. You don't want to miss out on that. Hospitality will also have games and puzzles for you to do.

So, grab your cuppa, sit back, and enjoy the ride!!
