

*Welcome Neighbor!*  
*(Thursday Night Project)*  
*Thursday evening, September 26, 2019*  
*7:00 PM to 11:00 PM*

What is more  
 central to the feeling of neighborhood than the front porch? Michelle Faleshock and the committee have designed a lovely, detailed, quarter scale porch with a choice of landscaping for your favorite season. Participants will receive all materials to construct the porch as shown above-as well as a few surprises! The project includes an LED lighting kit for the inside light, a porch light and a battery pack. The project even includes a case to hold the finished porch!  
 A variety of paint colors will be provided for you or bring your own if you are inspired by a “must have” color scheme.

Please join your neighbors for an evening of fun and friendship!

**Registration opens on May 31, 2019**
