

Baby, it's COLD outside!

Leave your skis at the door; take off your coat, boots and mittens and join us in the Hospitality Room for "snow much fun"!

Cozy up to a table with friends and play cards, start a puzzle, do a mini word search, and enjoy a hot or cold beverage.

Be sure to use the tickets in your registration packet to visit every day for make and take projects which follow this year's theme.

Other surprises and freebies will also be available as you meet up with old and new friends.

Pam
Hospitality Room Chairman
