

Winter Wonderland

2020 National Convention

Indianapolis, IN

July 23-26, 2020

Welcome to Indianapolis, Indiana, for our 2020 NAME National Convention, *Winter Wonderland!* Our committee has been slushing away, in the bitter cold, to offer you an exciting journey with us through the Indianapolis winter.

We planned this adventure with thoughts of a nice wintery reprieve in July here in Indianapolis. While winter, July and Indianapolis don't really go hand in hand, we have planned events to help you experience the cooler side of the mid-west. You will be greeted by a cold display of fun, and the pleasures will not stop until you leave our chilly compound.

You will be offered delightful workshops and exciting roundtables and mega roundtables. You will be challenged to decide on a theme luncheon, where magnificent gifts abound. And just wait until you enter the sales room where your choices will be endless!

Be sure to sign up for the Thursday night project, offered by instructors Taryn and Scott Reese, and Robin and Shawn Betterley. It will be offered in 1" and ¼", and is great, frosty fun!

Stopping by the hospitality room will be a nice relaxing treat. What a great way to warm up with your friends, old and new alike!

And don't forget the souvenirs. All are absolutely lovely! We will be presenting you with a 1" souvenir, a ¼" souvenir and a "flexible" souvenir that will be perfect for all scales.

So, fire up the sleigh, and meet us in Indy!
