

Our Charity: Henderson House

Come Fly With Me Committee has chosen the Henderson House as it's charity. This is a wonderful organization providing culturally aware outreach, education and services for victims of domestic and sexual violence through leadership, hope and respect for thriving families.

Please join us in providing many needed supplies for them to be able to help families and women in need. Donations are constantly needed for both their emergency shelter clients and support group clients, and regular office supplies for the advocacy center.
