TH1 – Dutch Canal House by *Charlotte Atcher*

Class Fee: \$124

Create a charming five floor Dutch house on the edge of an Amsterdam Canal. Bring your own interior paint/wallpaper or see what the instructor brings. Rooms are 2" x 2.5" x 2.25" with scored floors. Imported textured paper will be used on the exterior and cast trim will be painted in class. A basic mini tool kit and palette knife should be brought to class. 5" x 3.5" x 11.25"

TH2 – Flying Dragon by *Gayle Baillargeon*

Class Fee: \$139

This handsome dragon is just the right size to fly over the top of a 1/4" scale castle tower. Or he can be a stand alone miniature. And he does actually fly! In this class you will learn the basic techniques of building an automata model and painting him in the color of your choice. When you turn the crank his wings flap and body moves up and down in flight. The tower base is 4" square and the dragon is approximately 6" long.

TH3 – A Well Dressed Lady by *Lisa Engler*

Class Fee: \$108

A lady looking for stylish attire has a carefully arranged selection to catch her attention. Paper lace collar and trims further embellish the displays. A detailed ladies travel vanity with mirrored back to keep her looking good no matter the destination sits behind the boxed blouses. On the shelf below the table is a boxed hanky assortment with various sizes and shaped boxes to make the display interesting. 4.5" x 2" x 6"

TH4 – African Safari by *Ruth Moe*

Class Fee: \$134

We are putting together an African safari scene in a lantern. The inspiration came from my visit to South Africa and the photo I took several years ago. We are making a safari desk and stool, pith helmet, water canteen, open book and African drum and mask. I imagine my occupant as a naturalist. Someone else could have a different vision and tweak the setting in a different direction. The lantern is lit with a small battery powered light at the top. Snack pictured is not included. 7" x 7" x 12"

TH6 – Come Fly with Me...Make a Witch or Santa by *Cat Wingle*

Class Fee: \$114

Come Fly with Me... Make a Witch or a Santa...or the Butcher, the Baker and the Candlestick Maker...really, whichever figure you choose to do. If you've ever needed a figure you couldn't find or wanted to try Doll Making in a small scale, here is your chance. It's easier than you think! We will learn how to start with clay and end up with the figure of your choice. In the morning, we'll sculpt our dolls. Some may do even more than one. In the afternoon, I'll show you how to paint, costume, and wig a quarter scale figure successfully. I'll supply the clay and black, white and red fabrics, and send you home with patterns and instructions to do it again. Figure will be 1-1/2" tall.

TH7 – Carl and Ellie's House from Up by *Debbie Young*

Class Fee: \$189

Looking for an adventure in flight? Well, Come Fly with Me. Join Debbie Young as you build Carl and Ellie's house from "Up". House is electrified and wallpapered and is laser cut with lots of patterns to ease in completion. Great attention to detail. There is a lot of painting on this, so you will not finish in class...but you will leave with the knowledge to finish UP. (Get it...finish UP.) 8"x 6" x 8"

TH8 – Diorama with Shelving and Backlit Window Showing Gardenscape by *Belinda McWilliams*

Class Fee: \$214

A versatile shallow diorama box featuring a backlit cottage paned window overlooking a garden. The window is surrounded on three sides with open shelving just waiting to be filled with treasures. The diorama will be assembled in the first half of the workshop. After a short break a choice of one of three variations will be offered to further customize your diorama: kitchen butlers basin cabinet, vintage writing desk or window seat with cushions and books. The tools required to complete the workshop are also provided but students are encouraged to bring along their favorite tools to the workshop. Any unused kits will be available for purchase in the sales room along with items (in kit form) to fill your shelves. 8.5" x 4" x 9"
