**I have read all of the Cutter and NAME Day Guidelines and understand that:**

1. I must get approval from the NAME Day committee in order to make changes to the NAME Day designs. I also understand that I can cut kits for the 2021 NAME Day until October 30, 2021. After that, I can sell any extra kits I have left over but am not supposed to cut new kits from 2021 in future years.
2. I am not supposed to be cutting new kits from prior NAME Days. As it is written in the NAME Day Guidelines: *"This is a one-time project, special for NAME Day, and is much like a souvenir at a Houseparty or Convention. Since this is a special event, we ask that the kits not be manufactured after October 30<sup>th</sup> of each year. Kits that are left over may be sold to NAME members."*
3. These kits are only to be sold to NAME members or NAME representatives for group events and that I can check on membership by sending names to Barbara Thornton-Hill, [bathca@gmail.com](mailto:bathca@gmail.com), if I'm not sure of membership.
4. I should include the directions in each kit, not refer customers to the Gazette for instructions.

If you have other details, choices, alternative parts, we will add the following to your information on the NAME Cutter List: **"Contact this cutter for more information regarding wood choices, alternatives or accessories."**
