

Australia

As Seen through the Eyes of Katy Mast and Abby Carlson

There once was a girl from Australia

Whose kits were all hid in a trailer.

But when the quarantine came,

She had just joined N.A.M.E.

So the lockdown for her 'tweren't a failure!

We hope we've collected enough "souvenirs" for you. Choose your favorites, but if you want to use them all, be sure to add extra pages to your album. Or, you may want an album for each destination. Stay tuned...

And now, for your gluing pleasure . . .
