Charity

A Baby Center is a local nonprofit organization that provides critical tangible baby goods through donations of diapers, wipes and other baby goods. Last year A Baby Center served over 4,600 families and 5,500 babies by providing items such as diapers, wipes, formula, new car seats, new and gently used clothing, potty training kits, baby layette kits and Christmas bags filled with all new items. We estimate that A Baby Center has saved each of our families over \$2,000.00 during the course of the year! None of which would be possible without the assistance of generous supporters.

This past January, A Baby Center kicked off a new program, Dottie, where they are also providing free period supplies to clients in need. Period Poverty is an often overlooked area of need that they hope to end on Cape Cod and the Islands.

During the **2023 NAME National Convention** in Hyannis, Cape Cod, MA, a bin for baby and period items and a donation box for monetary donations will be available in the Hospitality Room.

Please visit www.ababycenter.org to learn more about what they do and ways to support our local families!
