## **THE WORLD & VISIT THE HOSPITALITY ROOM**

Join us for great international fun and excitement in It's a Small World Hospitality Room. You will want to stop by every day to collect the three different projects and take your chances on winning great prizes. There will be books, puzzles and games available every day. You can track where you've been, where you are and where you want to be on our world maps. Visit faraway places and exciting destinations, if only in your imagination.

You will also pick up the Member/Club favors at a special table in the hospitality room. A ticket will be given at registration to every attendee which entitles you to the generous donations from your fellow NAME members. We know you will enjoy the special items offered.

You will receive 3 tickets in your registration packet that will allow you stop in each day to pick up a daily kit made special for you. Each kit will be a great addition to the souvenirs you receive at the meal functions..

Stop by every day to visit with old friends and meet new ones. Check the schedule every day to see what hours the room is open. We look forward to your visit!

If you have questions please email  
Gay Cramer, Chair [Glcramer4664@gmail.com](mailto:Glcramer4664@gmail.com).
