### **Getting Around**

The Palm Desert area of California consists of several small towns 5 to 10 miles apart. For sight-seeing, you will need a car, an uber/lyft or some other method of transportation. Perhaps sharing the rental of a car for a day would be a good way to see the surrounding area? The Concierge at the Resort can be of help with this also.

There are several restaurants in LaQuinta, as well as a Hobby Lobby and Michaels, a hospital, pharmacies and grocery stores.
