

# National Association of Miniature Enthusiasts

Region N-3 Winter, 2023 Newsletter

Our weather is still cold but hopes of spring are starting to popup. This short newsletter is just a reminder of the wonderful group we are involved in. We are all looking forward to the Oregon State Day, the Seattle Miniature Show and the national in Cape Cod. Remember how much fun it is to share with our friends in the miniature world. If you have any questions there is always someone that can help answer. Please share what you are doing both as a group and as an individual. It helps others get great ideas. With our electronic world it is so easy to stay connected. "Only through sharing can we really enjoy our treasures." Peggy Zorn, Editor

Word from our Regional Coordinator

Hello Everyone,

Welcome to winter. I hope it is just passing by us and spring will be here soon.

I want to remind you that the Seattle Miniature show will be here before you know it, March 4th and 5th. Because of everyone's generosity the NAME table will be full and overflowing with treasures that need a new home. We have been working to get all things bagged and priced and are now moving on to our popular grab bags. For more information go to [www.Seattleminiatureshow.com](http://www.Seattleminiatureshow.com). I know many of you have wonderful items to exhibit so please consider sharing with us (and get in the show FREE). This is the last show the for the Holodeck 3-D Studios so if you have considered a "mini-me" this will be the last time offered.

I would like to encourage all of you to renew your membership in NAME and recruit members from your clubs and acquaintances. If it weren't for NAME many of us would never know that there were other "mini people" out there. Region N-3 has been very fortunate to have many active members and host State Days, exhibits, and shows. For this reason, we will still subsidize \$10.00 of your dues each time you renew. You must put N3 on your check and reduce the amount owed by \$10.00 to receive the discount. Sorry but there is no way to get the discount if you renew online. I believe we are the only Region offering this.

I hope some of you are considering going to Cape Cod for our National Convention in August. It will be a great time and classes are posted on the website if you need a nudge to consider going. Check it out. Spaces are still available.

I am so grateful to all of you who have stayed with us over these last few years. I find working on my miniature projects was a great way to get through shutdowns and frustrations. You may call me or your state representative if you have any questions, thoughts, concerns or comments about our region or NAME.

I look forward to seeing you at the show in March. I'll be at the NAME table.

Lisa Gabbert, Region N-3 Regional Coordinator

Oregon State Day

The members in Southern Oregon are again working hard to provide us with a fun getaway. Their projects are always great. We are all in need of a fun mini day.
