

## NAME Day 2021 Tiki Bar prices

1/4" scale includes the front bar and the back bar cut from bass. Some parts are made from scribed bass. The roof is made from plumber's hemp—which is used for thatch in miniatures. Each kit is \$14.00.

1/2" scale includes the front bar and the back bar cut from bass. Some parts are made from scribed bass. The roof is made from plumber's hemp—which is used for thatch in miniatures. Each kit is \$24.00.

1/144<sup>th</sup> scale includes the front bar and the back bar cut from bass and 1/64<sup>th</sup> birch plywood. Some parts are made from scribed bass. The roof is made from plumber's hemp—which is used for thatch in miniatures. Each kit is \$10.00.

Shipping is \$4.00 in the US for one kit. For more than one kit and shipping to other countries, I will need to quote the shipping price.
