

# Shoebox Sale

Do you have miniatures that would be just right for the Surfer Shack? Join us for the Shoebox Sale during the Wednesday Evening Event! This is a fantastic opportunity to display your miniatures and get creative decorating your own shoebox.

- To participate, please register and send your completed form to Kim Ash at [kim@miniatures.org](mailto:kim@miniatures.org) **by June 1, 2026**. You can either email the required information directly or fill out the form, scan it, and email it as an attachment. We will not allow any sign ups after June 1, 2026 so make sure to get your form to Kim as soon as possible.
- Your shoebox should not exceed the size of a men's size 10 boot shoebox. All items for sale must fit inside your box—there will be no table space for displaying merchandise, so be sure to maximize your box's capacity.
- Please note: Only cash sales will be accepted—no credit cards or other payment methods.

Don't have a boot box? No worries! Run out to Hobby Lobby and grab one of these boxes. It lays flat for easy shipping and once you get there you can remove the tabs so the sides stick together or use a binder clips so you can flatten it to ship back home to use again next year!

We plan to create a shopping list for everyone registered for the Wednesday Evening Project. This will help participants keep track of the items they need and remind them to visit your shoebox so they don't forget anything.

Let us know the items you will be selling to be included in the shopping list:
