

Youth Workshop

Our Youth Program team is offering a free workshop to all kids in attendance on Saturday or Sunday. The workshop will be held during Sales Room open hours. Chair Jenni Hilliard and Assistant Chair MaryAnne Mathews have designed an amazing yet easy-to-build ice cream stand. Kids will put together the stand from a provided kit, then fill it with delicious “frozen” treats and carry home their masterpiece in a special box.

A big “Thank you!” to everyone donating supplies, time and talent to our 2025 Youth Program. Remember, “Only through Sharing can we Really Enjoy our Treasures” – especially sharing with the next generation of collectors, makers and creatives. No registration necessary!
